

# MR.C LIVE

A man in a black cap and a dark jacket with a white grid pattern on the back is seen from behind, playing an electric guitar. He is standing in a courtyard at night, surrounded by lush greenery and trees. In the background, there is a modern building with large windows and balconies, some of which are lit up. The courtyard is decorated with string lights hanging from the trees and a large blue patio umbrella. Several tables with chairs are set up in the courtyard, and other people can be seen sitting at them. The floor is covered with a black and white checkered tile pattern.
